The Tuttle Story: "Books to Span the East and West"

Most people are surprised to learn that the world's largest publisher of books on Asia had its humble beginnings in the tiny American state of Vermont. The company's founder, Charles E. Tuttle, belonged to a New England family steeped in publishing. And his first love was naturally books—especially old and rare editions.

Immediately after WW II, serving in Tokyo under General Douglas MacArthur, Tuttle was tasked with reviving the Japanese publishing industry. He later founded the Charles E. Tuttle Publishing Company, which thrives today as one of the world's leading independent publishers.

Though a westerner, Tuttle was hugely instrumental in bringing a knowledge of Japan and Asia to a world hungry for information about the East. By the time of his death in 1993, Tuttle had published over 6,000 books on Asian culture, history and art—a legacy honored by the Japanese emperor with the "Order of the Sacred Treasure," the highest tribute Japan can bestow upon a non-Japanese.

With a backlist of 1,500 titles, Tuttle Publishing is more active today than at any time in its past—inspired by Charles Tuttle's core mission to publish fine books to span the East and West and provide a greater understanding of each.

Grammar/Function/Topic, Index

Preface

In an increasingly international world, being able to communicate in English is nowadays a necessity in social, professional and business life. Competence in English creates an increasing range of business, travel and leisure opportunities, opening doors to international communication.

English Made Easy is a breakthrough in English language learning – imaginatively exploiting how pictures and text can work together to create understanding and help learners learn more productively.

English Made Easy gives learners easy access to the vocabulary, grammar and functions of English as it is actually used in a comprehensive range of social situations. Self-guided students and classroom learners alike will be delighted by the way they are helped to progress easily from one unit to the next, using the combinations of pictures and text to discover for themselves how English works.

The *English Made Easy* method is based on a thorough understanding of language structure and how language is successfully learned. The authors are experienced English language teachers with strong backgrounds in language analysis and language learning. The *English Made Easy* team is confident that the books represent a significant development in English language learning.

—Professor Christopher N. Candlin

Using this book

This book is easy to use. You will learn how to speak English by looking at the pictures and words on each page. The pictures explain the words.

The table of contents tells you what you will learn in each of the twenty units. You can use this table to look up any particular points you want to learn or practice.

The twenty units are arranged in groups of five. The first four units present language and give you opportunities to practice as you learn. The first page of each unit has a list of all the words and phrases you will learn in that unit. At the end of each unit there is an interesting story which uses the language you have just learned.

The fifth unit in each group gives you the opportunity to revise the language in the first four units and to use it in different situations. The exercises are easy to understand and there is an answer key at the end of the unit.

At the end of the book there is an index which contains all the words and phrases in the book. It is not a dictionary. It refers you to the unit in which that language first appears so that you can “discover” the meaning of the word by seeing it in context.

The Bensons are at the Zoo with Kim and Sue.
2
Welcome to Macquarie Zoo. My name is David, and I'm your tour guide. The tour will take about an hour. You can ask questions at any time. We'll begin by going this way, to the lions and tigers.
3
Lions are big cats. They come from Africa. They live in families.
Lions
What do they eat?
They eat other animals, like antelopes and zebras.
4
This is a giraffe. Giraffes live in Africa, too.
Why do they have long necks?
Giraffes
Because they like eating the leaves at the tops of the trees.
5
Who knows what this is?
I know. It's a koala.
That's right. Koalas live in Australia and they eat leaves, too. They live in the trees.
Where do they sleep?
They sleep in the trees, too.

6
This is a kangaroo. Kangaroos come from Australia too. A baby kangaroo lives in its mother's pouch.
When does it leave the pouch?
When it is about nine months old.
Kangaroos
7
Here are the seals. They live in very cold water and sometimes sleep on the ice.
They have very thick fur.
How do they keep warm?
8
That's interesting. I didn't know that.
Elephants
And here are some elephants. If you look at their ears you'll see that some of them have large ears and others have small ears. Those with large ears come from Africa, and those with small ears come from India.

She must be around here. She'll be all right. Don't worry.
Sue! Sue!

7
Sue! Where have you been?
We were worried about you.
8
I fell and hurt my leg. Where's Dad?
9
Uncle Kim went back to the elephants to look for you. Dad went with him and Mom went to the toilets to look for you. They'll come back soon. Are you all right?
Did you hurt yourself?
10
My leg hurts and my jeans are torn.
Your T-shirt is dirty, too.
I know.
11
Where did you fall?
I fell down the steps near the antelopes and the zebras.
12
She's not at the toilets.
Bears
We didn't find her either. Lets go back to the koalas. She might be there now.

I'm looking forward to having dinner at Christopher's Kitchen tonight.
So am I. I'm wearing my new jeans.
I'd better book a table.
2
...I'd like a table for six... please.
...7 o'clock...
...Benson...
...Thank you. Bye.
3
I'm Kim Benson. I booked a table for 7 o'clock. There are six people.
Yes sir, would you like to come this way?
4
Can I bring you some drinks?
What would you like Jim? And Peggy?
White wine for me, please.
I'll have some, too.
Could I have a Coke, please?
A glass of water for me, please.
And for me too, please.

5
What's in the minestrone soup?
It's an Italian soup made with lots of vegetables. I can recommend it.
6
Does it have onion in it?
Yes, but only a little.
Sounds good. I'll have some, please.
So will I.
7
The food is taking a long time.
Yes, they're very busy tonight.
8
Ah, here comes our food now.
So am I.
Oh good. I'm hungry.

9
Is everything all right?
Yes, thank you. The food is excellent.
It's delicious.
10
11
Look. There's Tom.
And Anne.
12
Hi Tom.
Hi Anne.
Hi Jill.
Hi Ben.

The Bensons

1
Hi Tom.
Hi Anne.
Hi Jill. Hi Ben.
2
It's good to see you again.
Yes, you too.
What a surprise to see you here.
3
We're having dinner with our uncle Kim and cousin Sue from Arthurton, and with our parents.
Look everyone. This is Jill and Ben.
4
Hi Jill and Ben. Pleased to meet you.
We met them at a party a few weeks ago.
Are you having dinner here?
5
Yes, we come here often. It's a good restaurant.
We would come here more often if it wasn't so expensive.
The food is excellent, but the service is a bit slow.
6
We'd better go back to our table Jill.
Yes, OK Ben. We'll see you later.
Yes, bye.

7
It was nice of them to come over and say hello.
Yes, they're good friends.
8
Shall we order desserts now?
Oh no, I'm full. I can't eat any more.
No, I don't need dessert either, but the children might want some.
9
Yes, I'd like some ice cream.
Not for me. I'm full.
So am I. I don't want dessert.
10
If I'm the only one having dessert, I'll have some ice cream at home.
Are you sure?
Yes, that's fine.
11
Could I have the bill, please.
Certainly, sir.
12
No, Jim. I'll pay.

English Made Easy is a breakthrough in English language learning—imaginatively exploiting how pictures and text can work together to create understanding and help learners learn more productively. It gives learners easy access to the vocabulary, grammar and functions of English as it is actually used in a comprehensive range of social situations. Self-guided students and classroom learners alike will be delighted by the way they are helped to progress easily from one unit to the next, using a combination of pictures and text to discover for themselves how English works. The pictorial method used in this book is based on a thorough understanding of language structure and how language is successfully learned. The authors are experienced English language teachers with strong backgrounds in language analysis and language learning.

English Made Easy: Learning English through Pictures Volume 2 consists of a total of 20 units arranged in groups of five. The first four units present language and provide learners opportunities to practice as they learn. The first page of each unit has a list of all the words and phrases to be learned in that unit. At the end of each unit, an interesting story which uses the language that has just been learned is presented. The fifth unit in each group contains exercises designed to reinforce the language learned in the first four units.
